

30 October 2013

WheelChair and Ambulatory Sports USA Swimming Report:

Has been a busy year. Rule Book was updated last year, no changes are anticipated until after IPC comes out with their new rule book.

Represented swimming at Warrior Games. Ran Dixie Games Swim meet, my co-classifier was ill, so no classifications were done. Ran swim meet and clinic at Thunder in the Valley.

NJDC went well after some issues with events. I have completed the events for NJDC 2014. There is basically 2 separate swim meets. The current standards will be used for the 25 yard Short Course Meet. I am developing swim standards for the 50 Meter Long Course Swim Meet.

IWAS World Jr Games was a great success. Looking forward to hope for swimming next year.

I have agreed to be on the USP/Committee. I will be working more with USP as a Coach. Will be coaching at Spire Institute in Ohio and Fred Lamback meet in Augusta, GA. IWAS swimming went very well!

Respectfully submitted,

Glen O'Sullivan
